## Helping you to navigate COVID-19

You don't need us to tell you that small business is going through unprecedented challenge right now. The team at <Broker>, along with our lending partners, are here to help you however we can.

We're proud to partner with lenders that genuinely understand and advocate for small business, and we wanted to share some useful information, practical tips and trusted sources that may help you manage your business through this uncertain time. Read on to learn more.

### Managing contractual impacts of COVID-19

In the current climate you may be required to negotiate on existing contracts with suppliers, partners or customers. The government has urged entities to work together towards an outcome where all parties in the supply chain survive the COVID-19 pandemic, but where exactly do you stand when it comes to negotiating contractual terms?

### Why content is more important than ever right now

Your customers are at home, and they've got more time and fewer distractions than ever before. This means they're hunting for content. Valuable content. Is your brand grasping the opportunity?

### Tips to maximise tax breaks while working from home

Every cloud has a silver lining. While the social distancing measures of COVID-19 mean many Australians are stuck inside, it also means you may be able to claim a tax break for home office expenses.
