Navigating COVID-19: What you need to know as a Small Business Owner

The worldwide COVID-19 pandemic is a quickly changing, uncertain situation. We know that many of you, as small business owners, are currently facing unprecedented challenges to keep yourself and your staff healthy, and your business running as smoothly as possible.

The team at <Broker>, along with our lending partners, are here to help however we can. We're proud to partner with lenders that genuinely understand and advocate for small business.

Of course, financing for your business may be on your mind. In addition to finance options available through us, there are also emergency funding sources available from the Australian government. Read on to learn more.

COVID-19 stimulus measures for small business

The government has provided stimulus packages that are helpful for small businesses in a number of ways. Some state governments have also provided additional support.
